

Submitter: Milton Moran
On Behalf Of: Myself
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

Please do not pass HB 2025 or Amendment HB 2025 A. These record high Tax Increases do not need to be put on the backs of Oregons Tax Payers, who are already over taxed. Make ODOT accountable before even considering these very high tax increases. How do you expect people to afford these increases? How will folks afford a new car, buy fuel, feed their families, save for retirement, pay mortgages or rent and just get by. Oregon revenues are at all time highs, State of Oregon spending is out of control. You must make the state and ODOT be accountable and work within approved budgets like the rest of have to do. This is not the time to raise more taxes.

Thank You for your service.
