Absolutely oppose. If you're reading this, you have a pulse. If you vote for this, you have no Soul.

This bill is malfeasance at best. This tax increase on everything is a sure way to make it unaffordable.

I understand the policies all favor obscene spending at the cost of taxpayers, but if this bill is passed it will actually cripple families. This bill would absolutely do everything to undermine the Will of The People.

When is enough, enough. When is grabbing all the money ever going to stop.

THIS SHOULD NOT PASS IF DEMOCRAT LEGISLATORS HAVE A SOUL, ANY CHARACTER, ANY ACCOUNTABILITY, ANY SENSABILITY, ANY HUMAN DESCENCY LEFT.
