

Submitter: Brian Resecker

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Stop the insanity! Higher taxes for what purposes? To fund non-essential wish list items? I don't trust ODOT with my tax dollars. Oops, made a billion dollar error? Who is running that department? Higher taxes will only push more businesses to leave the state, taking tax dollars and jobs with them. STOP THE INSANITY!
