Michele Tesdal

On Behalf Of:

Committee:

Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please vote no on this measure. Our families are budgeting like mad to afford life here in Oregon. Local taxes just got voted in and our property taxes will be increasing at levels we cannot afford. Please look at internal cost savings and efficiencies, before asking us to pay for anything more. Please, for humanity's sake, vote no, the cost burden is too high for us regular working folks.
