

Submitter: Rodney Langston  
On Behalf Of: Oregon seniors  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

On behalf of Oregon seniors I very much oppose this bill. I have no excess funds to pay for more additional taxes and fees, therefore you are taking food from our mouths. Seniors can not afford these increases. Stop robbing us! Do your job and be accountable. Make do with your current funds, I sure have to.
