Oregonians cannot afford these outrageous taxes. Many Oregonians are already struggling to get thru each day, we have so many homeless population and these taxes will increase these numbers. It is shameful the democrats of Oregon are ok with causing more residents to struggle. All of us regular Oregonians must live within our means, why do we not require the same for our governing bodies and the entities taking our taxes. As for ODOT, we have seen where cuts could be made in their budget and still manage to get the jobs done, WHY are you not stepping up and requiring them to manage their budget. This is unacceptable to Oregonians, a slap in the face and just proves you do not listen to constituents, you were all lies just to get into office, you should be ashamed to say you support Oregonians because you do not.
