

Submitter: Cayden Cormany
On Behalf Of: Oregon youth
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

As a young adult just completing an associates degree and launching into adult life, I find these taxes and fee increases a big challenge. Cost of living, housing fees etc are making life a struggle. Please make ODOT accountable and manage the money they currently have, the rest of us have to manage our budgets, Oregon needs to do the same. Vote NO!
