

Submitter: Jennifer Reeser

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I whole heartedly oppose this tax. Born and raised in Oregon, but law makers are taxing the true Oregonians out of the state. Please do not pass this tax that will hurt hard working individuals and families at risk of loosing more than they have lost already. We the people cannot afford this.

Sincerely,
Jennifer Reeser
