Measure, Appointment or Topic: HB2025

Families are struggling with endless price increases. Instead of local government helping to lower costs, they use price increases AS AN EXCUSE to drastically increase prices EVEN MORE with huge tax increases. It shows blatant greed, lack of concern or integral representation for and of citizens, and is truly unconscionable. Is this what the citizens you represent voted for? Show you're better than all that and really understand the meaning of 'No Kings'. Vote NO on HB2025. It is the epitome of anti-democracy.
