

Submitter: Timothy Ross

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I strongly oppose HB 2025, a massive \$14.6 billion tax hike burdening Oregonians with \$1,140 annually per household. This bill, crafted with minimal transparency, prioritizes ODOT over struggling families. Reject this excessive tax increase and demand accountable, fair solutions for transportation funding.
