Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose this bill. I am not the states piggy bank. The government has mismanaged its funds and so make up for it has called for an increase in taxes. It's already hard enough to live day to day and now you want more, you can't squeeze blood from a turnup. Get off my back. If you want to more money decrease taxes and encourage businesses to come here. Stop making it harder for middle class folks to live.
