Measure, Appointment or Topic: HB2025

The bill proposes raising nearly 20 new taxes and fees, including a 12-cent hike in gas taxes, one of the highest in the nation. It also includes a 350% increase in car sales taxes and triples the tax on paychecks. Over the next decade, Oregonians would be forced to pay an additional \$11.7 billion. Despite this, the bill fails to ensure accountability or transparency in how the money is spent, effectively giving bureaucrats a blank check at the expense of taxpayers.

Please join me and tens of thousands of fellow Oregonians in opposing this devastating legislative proposal.

Thanks for reading this.
