Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am vehemently opposed to this bill. The people of Oregon are being taxed beyond our means. I have lots of friends and family who have already left Oregon because of over regulation and high taxes. Please vote NO on this. Please don't pass this. We can hardly afford to live here as it is already. SOS from your constituents.

Thank you for your attention to this.
