Dear Legislatures,

You must vote no on HB2025. Look around Oregon, we are not thriving, our state is literally dying under the policies of the Democratic Party.

132,000 families have moved out of state!! Numerous businesses are moving to other states.

Those of us left have been taxed on everything.

You must learn to be fiscally responsible .

Let this bill go this session, and look at your constituents, we are done.
