Measure, Appointment or Topic: HB2025

We as retired and part time employed adults can not afford this, or any other new taxes or increases in taxes. When will the government realize that 99% of the people in Oregon R or D do not support new tax bases. Our roads are horrible. The roadsides and garbage along the road is not maintained. Our schools are struggling. Our children in foster care are falling through the cracks. Senior citizens need more assistance
