

Submitter: Kim Rice
On Behalf Of: The Overtaxed
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

I do not consent to this titanic tax bill in any of its forms. This government has already collected a high record of tax revenue this year. This bill is ridiculously reckless, just as Rep. Boshart Davis called it. All legislators who think this bill is a good idea need to rethink this debacle and vote NO. Kill this bill.
