I am very opposed to this Bill for many reasons.

You attempt to shove this bill through is irresponsible to the oaths you have taken.

You have mismanaged money for years, ignored the wishes of many and run this state into the ground. You blew millions on the homeless and diverted many millions more to pet projects that don't work for the masses. This bill will hurt the average person, indent our children while not investing in the youth. I have lived here 45 years, I have seen very little that helped the traffic. In fact you have delayed years of improvements to fund pet projects. Vote NO!!!!
