

Submitter: Amy Patton

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I'm a 4th generation Oregonian. We simply cannot afford to live here and raise our family in Oregon any longer. My husband was recently laid off because Oregon is unfriendly to businesses. We don't want to have to leave Oregon, but if yet another tax increase goes through we will be forced to. Please stop taxing us to death.
