Measure, Appointment or Topic: HB2025

On behalf of my Grandfather (96), disabled Aunt, Parents, our children and Grandchildren, we DO NOT have any more to give. For 40 years it's been a take, take, take equation without equality. The government gets the lion share of our resources, and the Middle

Class get excuses, while State leaders pass the buck and railroaded us into a society we largely financially support but have no voice in. Oregon has become unrecognizable. We are NOT better off after decades under Democrats, 6 grueling years with Brown and now Kotek. NO MORE TAXES, fees, tolls and regulations. We are hanging on by a thread. Take responsibility for the states' shortcomings. Don't blame anyone else. Audit your spending. Make cuts. State Leaders take a pay cut-everyone else is. Hold yourself and others accountable. It's called INTEGRITY.
