Oregonians cannot support all these crazy tax's and be expected to afford to live a productive life! This is an excuse for greedy government officials to continue to keep taking from the hardworking people of Oregon! When will they be accountable and try to help us keep tax's down. It feels like they disregard how hard we work to try to keep our family's above water! STOP treating us like sheeple and start looking at other options in getting your greedy hands off our hard earned \$. It's time the government stops making us pay for their agendas! Thank you
