Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am writing today to express my strong opposition to this bill. It seems ODOT and the state has near zero accountability or transparency. Where are the checks and balances? Are the funds used as they were intended? I have to live within a budget to survive, the state should, too. This bill, among others, is forcing my family to seriously discuss moving out of state. We are suffering financially when we shouldn't. I strongly urge a NO vote.
