

Submitter:

PNW Coast Range

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

HB3390

As an Oregonian, I oppose House Bill 3390. The author petitioner of a ballot referendum should name and write the introduction. Alternately, be brought to the house and senate floor for a vote for multiple submissions by legislators of a possible name and introductory paragraph. No one committee should name or describe the leading text of a voters pamphlet ballot item.
