Committee:

Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

We are struggling now we cannot survive these outrageous tax increases. The Oregon government needs to function with the money they already receive. The Oregon government is destroying every working person with taxes, more restrictions and total overreach of government. I oppose sb2025. How can anyone of the so called representatives of the people think anyone can afford 20 to 35 new taxes or increases. And this is just one of your bills.
