**NO NEW TAXES!!! NO NEW TAXES!!! NO NEW TAXES!!!**

As my husband and I near retirement age, the prospect of MORE taxes petrifies me. We are never going to be able to afford retirement if we give all of what we have to taxes. This state has done a horrific job of managing it's money, why would we want to give more??? How many times have we ponied up and paid what you want, only to find the money diverted to some other cause (or possibly some bureaucrats pocket?) . Oregon wants to continue to take, take, take without reform, accountability, or transparency.

**ENOUGH IS ENOUGH!!! NO NEW TAXES!!!**
