

Submitter: Leslie Shaw

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I and family oppose this bill. My SSD, doesn't go up 143% . Nor do my family's wages. There isn't a sane person I know who agrees with the bill . People just can't afford this. If the legislature. Had to live on minimum wage for a year, they would understand. Please reconsider and vote NO.
