Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Robert and I am a [farmer/rancher/small business owner] in eagle point Jackson County . I urge you to oppose HB 2025.

The proposed tax increases will severely hurt rural Oregon. My operation depends on affordable fuel and reliable transportation. This bill dramatically increases costs while funding projects that provide no direct benefit to us.

ODOT needs reform and accountability — not a blank check. Please reject HB 2025 or send it back for real, balanced solutions.
