

Submitter: Amie Huyck

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I currently live with two adult children. They can not live on their own because the cost of living in Oregon is too high. My children, family and friends can NOT afford your tax hikes. The DMV cost alone will bring us back to not having enough commercial drivers. Any enjoyable activities are hard to come by because of your fees and taxes already put upon us. Budget better!! No new taxes
