Measure, Appointment or Topic: HB2025

The proposed amendment to HB 2025 would place a heavy tax burden on Oregonians through a wide range of new taxes and fees. It would raise the cost of gas, increase taxes on car purchases, and take more out of every paycheck. Despite asking more from taxpayers, the plan offers little accountability or reform for how state agencies spend the money. With little time left in the session, rushing this through without proper public input is unfair and irresponsible.
