HB3392

I urge you to oppose HB 3392! As an active citizen i have worked with others for years to get campaign finance reform in Oregon and I am appalled at the legislature's attempt to delay its implementation by six more years. This is in direct violation of the voters' - your constituents' - strong support for campaign finance reform!

Bringing this bill up in the final days of this legislative session looks like an underhanded way to get it passed without notice of your constituents. Oregon lawmakers are surely not so incompetent that they can't implement campaign finance reform in the already generous timeline.

Please vote against HB 3392. Stand with the voters on this extremely important issue.

I respectfully submit this testimony.
