I am disgusted in the fact that this bill has even been considered without a vote by the people of Oregon.

It effectives every person in the state and we should have a say. The over reach of the elected officials and the Governor is out of control and needs to stop. YOU ELECTED OFFICIALS WORK FOR US.

If a vote by the people decides we need to do this then the majority wins and I will have to abide by that vote. But without a vote by the people it is just not right!!!
