

Submitter: Pam Vaughan

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Honorable Committee,

Oregonians are already overburdened with unreasonable taxes, with our dollars misused. Further taxation without accountability is an insult to the Oregon taxpayers.

Vote NO on this insane budget increase. It will drive business and community members out of Oregon. It will damage the quality of life for all Oregonians.
