Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I was born and raised in Oregon. I've lived here all my life and can't imagine life outside of Oregon. I'm on an extremely fixed income and these tax hikes would force me to move out of state in order to be able to afford to eat. Our state is being destroyed by failed policies and lack of accountability. Please don't let our children and struggling families suffer any further.
