Measure, Appointment or Topic: HB2025

I Oppose this bill and urge others to oppose this. People in the state of Oregon have been increasingly financially stretched thin and the impact of these new taxes will be detrimental to many as well as disproportionately affecting the LGBTQIA+ community, people of color, and the undocumented members of our communities. People who are barely making ends meet will be pushed over the edge by these taxes, and force families out on the streets. Please vote no on more taxes for everyday Oregonians.
