

Submitter: Lesley Neuman

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose tax bill HB2025. It is outrageous. Why can't Oregon manage its budget. I am a senior and cannot afford these ridiculous raises. Oregon's Department of Transportation must manage its budget, like I have to. I am paying your salary, but I am not able to hold you accountable for your unreasonable actions.
