

Submitter: Lorie Young

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Oregonians are taxed more than enough already. Instead of taxing the citizens (just as the British did with the tea, which was thrown overboard) our reps, senators and so called governor should be better stewards of our money. Time has shown they have horribly misused funds collected by us citizens and from the Federal government. Those responsible will be held accountable.
