Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

The middle class is already squeezed due to inflation. We can't take new taxes like this. Nor should tax payers bail out ODOT's mismanagement of their funds. ODOT hasn't built a new freeway in decades or any meaningful new vehicle bridges. Most of its funds pay for "transit" that only a tiny fraction of citizens use. Overhaul that before charging us these massive fees. Please do not pass this!
