

Submitter: Gary Weis  
On Behalf Of: Self  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

I am opposed to this bill in its entirety. I am aware that the Republican legislators have preposed an alternative to the bill and I ask that you pass their version. The people most affected by this are economically disadvantaged people and small businesses who can least afford it. Please vote no. Thank you.
