

Submitter: Rebecca Wallis

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Good morning,

I strongly oppose this. You all are showing Oregonians that voting Democrat in Oregon is worse than voting for President Trump. Oregonians are not being hit with national inflation, it's Oregon policies. If it were not, then it would be just as inexpensive as a Republican led state to live here.

Stop the madness and end this bill.

Rebecca Wallis
