

Submitter: Carla Pletka

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

To the Joint Committee on Transportation and Reinvestment,

Please, Please, Please stop the spending. You are sucking the state dry of funds.
We CANNOT afford this. Our businesses cannot afford this!

Why do the Democrates hate the tax payers of Oregon so much!

That's literally how it seems and it will not be forgotten.

Stop trying to Newsom Oregon and expect different results.

Sincerely,
Carla Pletka
