I am opposed to the tax bill before the legislature. It will wipe out the possibility for seniors to remain living in Oregon. Consider what you are doing to the lives of those who have lived here over 60 years and have faithfully supported the running of our state. It is an egregious and unfair money grabbing tax needed for years of mismanagement of funds. Legislators, consider the welfare of your citizens who will flood out of Oregon should you vote to pass this bill. Thank you for hearing this plea.
