Hello,

I strongly oppose this bill. Oregonians are struggling. We can't afford to live. Everyone i know is struggling to make ends meet. I've been unemployed and no longer have unemployment benefits because there are no jobs in Oregon. These costly tax increases are driving businesses away and causing them to close. This massive tax increase will increase inflation and the costs to businesses, and they will pass the costs to consumers increasing the prices of all goods and services and reducing wages. We can't afford that. I can't afford that. I can't afford the costs as they are now. Please, please don't raise taxes. Please find a way to make Oregon MORE affordable for people and businesses to strengthen our economy.

Thank you,
