On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am 75 years old and living on a fixed income. HR2025 well be the worse bill in the history for Oregon. Please trying passing a bill that lowers taxes and fees for Oregonians. We have less money to live on now. Please don't pass this bill! I can not afford it. I have lived in Oregon for 75 years.
