Committee:

Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

It is clear that ODOT is not doing their work in our state. We have serious deficits in the way our tax dollars are spent on their important commissioned work.

Oregon tax payers are not getting their money's worth as it is. To propose this amendment is unconscionable. Furthermore, Oregonians are not in a financial position to pay anymore from our already heavily levied taxes.
