HB3390

ABSOLUTELY NOT.....Can't believe the dems are being SOOO transparent in their fear that they will lose on HB 2025 with a referendum that they feel the need to "PAD" their votes by making sure that ONLY LEGISLATIVE COMMITTEES (which are dominated by dems) can title and write all the language for ballot measures for the public! How cowardly and unjust can you get!

Not to mention, it violates the public's rights and the Constitution. This one will get you a big lawsuit if you attempt to ram this through
