Our Roads are Scary! Gas Prices are Outrageous!! Driving over hwy 6, you Never Know what you'll encounter! The road is Constantly sinking in various areas. It is WELL Documented!! ACTION IS NEEDED!!! What have you done with The Money for Our Roads?? We Don't need another wildlife estuary, or hiking path! We Need Our Roads REPAIRED OR TOTALLY REBUILT FOR SAFETY SAKE!!! Raising our taxes in Every Area, gas, license , tags, etc., is No Guarantee you'll Repair the roads and make them SAFE! We are seeing that they ARE NOT Already!! We NEED ACCOUNTABILITY for what you have already spent OUR MONEY ON!!! And We NEED THE ROAD TO BE SAFE!!!
