Measure, Appointment or Topic: HB2025

Please do not pass SB 2025. We are drowning in Oregon under our tax burdens already. Current policies are driving job providing businesses out of our state, while simultaneously increasing the cost of living for residents. SB will not reverse this trend, instead it will make it worse. We pay some of the highest taxes in the nation in Oregon and yet it's never enough. Oregonians have had enough. You, Oregon Senate, are out of control! End the madness now!
