

Submitter: Cathy Ayers

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Oregon needs to use its taxpayer money more wisely, and more the way taxpayers want it used. No more bills raising taxes. Elected officials, you seem to think you can use our money lavishly and for whatever you want, then come back and refill the coffers whenever it runs low. No. Quit. Use what you have. And don't ask for more.
