Increased taxes is just the opposite of what Oregon needs. They continue to force the people with real Money to leave the state and move to other reasonable tax states. Losing billions of dollars in tax revenue. every time you raise taxes Thousands of hard working tax paying citizens leave Oregon for other states in an east direction. I am just one of many moving east to Montana, Ariz. or Idaho where we are not taxed to death. Pretty soon all you'll have left in Oregon is people that will drain the coffers and put nothing.
