Measure, Appointment or Topic: HB2025

I am writing in opposition of HB 2025. I do not support more taxes on Oregonians who are already having a hard time making ends meet. Until the state can budget better, I am opposed to any new taxes. Also I cannot support the way this bill has been introduced and the sneaky politics that have come along with it. Introducing a bill in the last days of the session and trying to rig the committees to get it passed is bad politics and not good for Oregonians.
