

Submitter: Jon and Rachel Kloor

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Enough is enough. As a single income family of 5 we simply cannot afford yet another tax increase. Learn to live within your means, as we and every other Oregonian has had to do.

If it is truly a priority, then use existing sources of revenues to fund it. We are simply astonished at the legislatures lack of self awareness around the lack of affordability in our state.
